Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 04 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A very warm and sunny day, turning unseasonably cold overnight.

Today:
A frosty and foggy start for some, but quickly warming through the morning due to clear skies and plenty of sunshine. Some breezy conditions developing, but a warm day ahead regardless. Maximum temperature 16 deg C (61 deg F).

Tonight:
Turning cloudy this evening. Windy and temperatures drop overnight developing a widespread harsh frost. Rain followed by wintry showers push in from the north, mostly clearing the south by dawn. Minimum temperature -2 deg C (28 deg F).

Monday:
A frosty start, with some lingering cloud and snow showers which soon clear southward. Plenty of sunshine but feeling unseasonably cold in the low temperatures and the biting winds. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Cold and wintry through this period, with widespread frosts. Breezy and sunny with the odd snow shower Tuesday afternoon. Conditions ease slightly on Wednesday. Windy with rain Thursday, remaining cold.
